-Raised money for the association by selling the individually designed goods.

January 2022 - January 2023

---

## Feature Projects

### Rivian AltoSpark Camping stove - Product Design

A portable camping stove designed based on Rivian's design language. It addresses the challenge solo travelers face when setting up a campfire and adapts to both open-flame and flame-restricted environments.

Spring 2025

### Glossier MinuteMe Watch - Product & CMF Design

A mirror-integrated watch inspired by Glossier's brand language. It addresses the inconvenience women face when holding a mirror while reapplying makeup, with innovative material exploration in the dial and strap to reflect Glossier's design language.

Summer 2025
